

2020 ASE Technicians of the Year

TBC recognizes technicians who achieve top scores on certification exams, exhibit a total commitment to customer satisfaction and are involved in the community. To become ASE Certified, technicians must pass a rigorous exam and work in the industry for at least two years. To remain certified, technicians must retake and pass the exam every five years.

TBC Corporation is pleased to recognize the seven recipients of Regional Technician of the Year for our retail company-owned brands. Congratulations!

Timothy Weaver Jr., of Region 9413 – Store 7349 – York, PA, NTB Tire & Service Centers
