

Technical Update Training Webinars for Technicians December 2022 & January 2023

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate.

REMINDER! Webinars for Technicians are on Tuesdays. Still one hour, still 4 pm Eastern time, still providing certificates of attendance, still available to view as a recording!

We included the registration links for the previous month in case you missed a webinar you can register for the recorded version!
