**ASE
Recorded Webinars
March 2025 Through
February 2026**

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours (certificates for Professional Development Webinars do not count) required by the ASE Education Foundation. Please feel free to use the content to supplement your classroom activities.

IMPORTANT: The Register links on this calendar automatically expire 1 year after the date shown. Therefore, the Register links will "time out" upon the one-year expiration period. Once a recorded webinar expires, it is no longer available for access.

Mark your calendar! The 2026 ASE Instructor Conference takes place in Frisco, TX, July 20-23, 2026! [Click here to check it out!](#)
