

How to Purchase Tests

1 Begin by logging in to your myASE account.

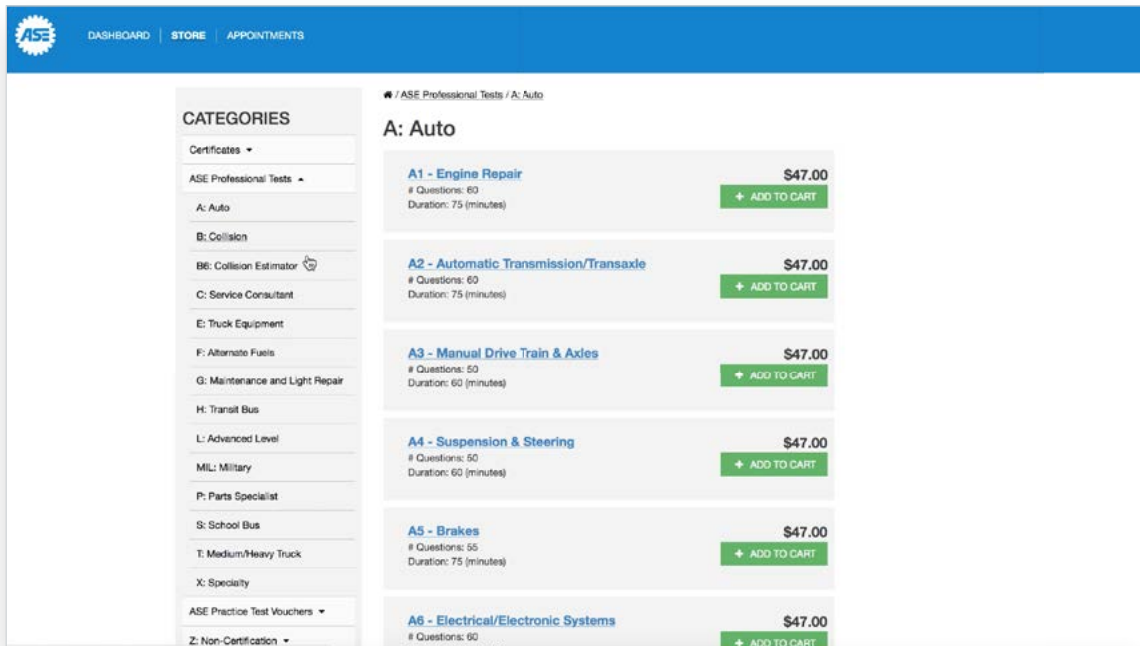

2 Once you arrive at your dashboard, to access the store, click on the “Store” heading in the navigation.

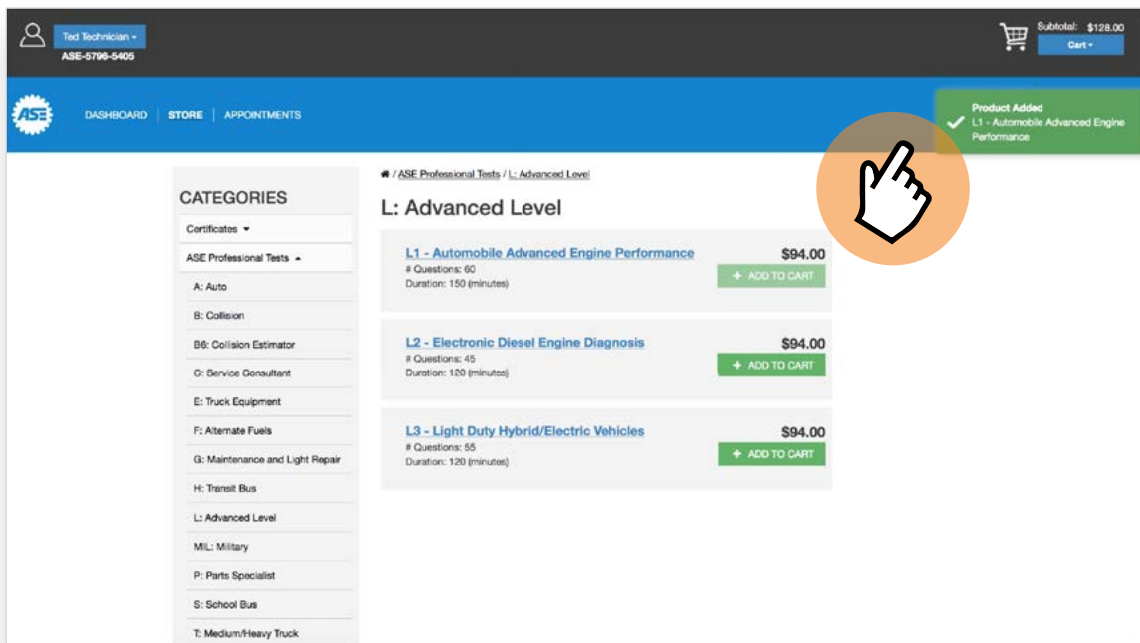

3

The professional tests are organized in Alphabetical order, by test series. Select the test series from the left pane. This will display all tests in that series.

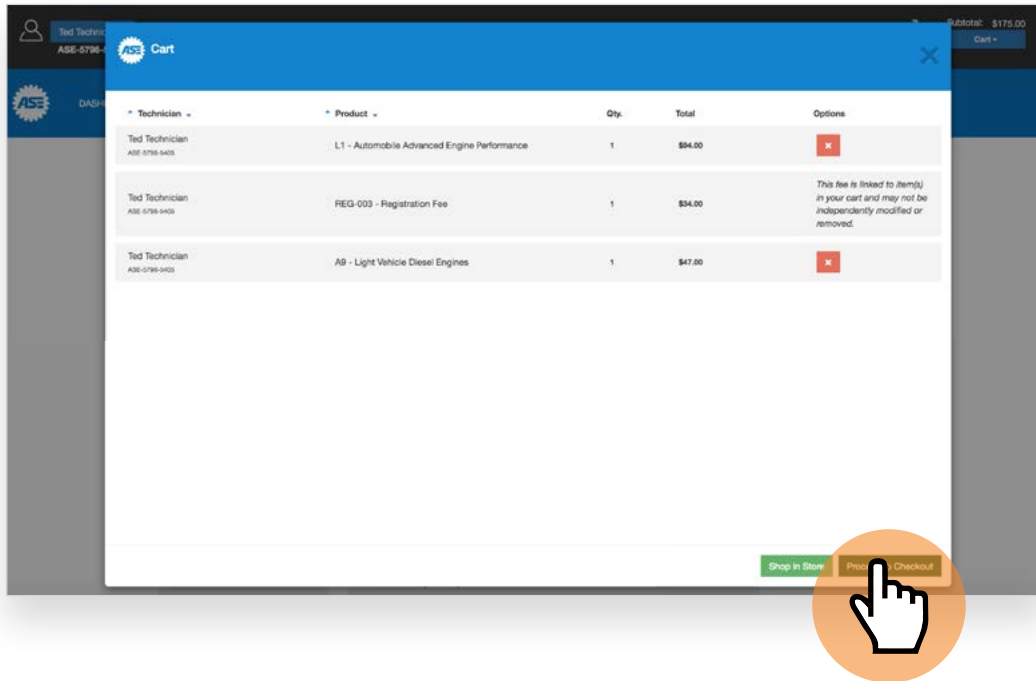

4

Once you locate the test you would like to purchase, click the green "Add to Cart" button. A confirmation message will overlay on your screen confirming the test was added to your cart.

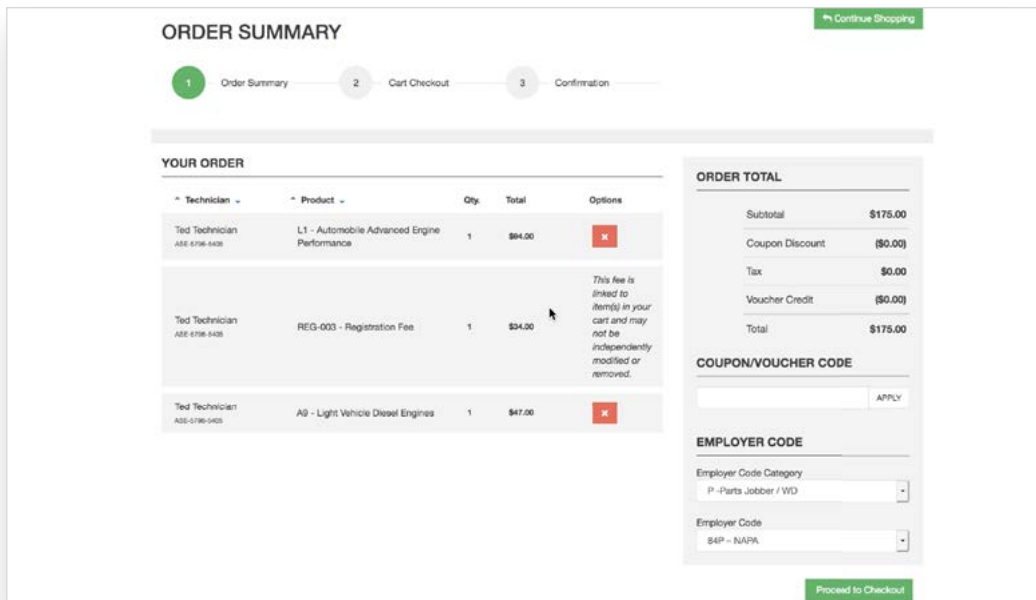

5

To add additional items to your cart, select a new test series from the navigation, and repeat the process. When you are ready to checkout, click the cart icon to view your cart, and select the green button **“Proceed to Checkout”**

Your order summary will be displayed on the next page. Please note, a registration fee is applied to each cart during checkout. Prior to proceeding to checkout, you may remove items from your cart, but the registration fee cannot be removed. Select **“Proceed to Checkout”** to continue.

6

To add additional items to your cart, select a new test series from the navigation, and repeat the process. When you are ready to checkout, click the cart icon to view your cart, and select the green button **“Proceed to Checkout”**
